

## ABOUT US, KISS

Everything you do online should be to attract Google and prove to them that you are the best. The beauty about us is.... That we do it all for you, for a single monthly fee!

Our work is focused on sales and lead generation, rather than on websites and algorithms.

Keep it simply Sales (KISS!)

## OPTIONAL EXTRAS

### More things to do in the month

- Ecommerce:
- WebShop, EBay, Amazon, Google
- Proactively acquire Google Reviews
- Linking you to all relevant directories
- Email marketing
- Social Media Posting
- Planning: Digital Marketing Strategy
- PodCasts, Video development
- Offline marketing, PR, Graphic Design.

We want to work with you month on month to help you get more business. We want to take pride in you spending more time on the beach with the family. We want to see your company expand, with us as trusted advisers and partners! Because we are like that.

*“Single monthly fee, no staff overheads. The beauty is, we look after it all.”*

## ONE MONTHLY FEE

### Monthly Service Charge including

- New or updated Website
- Proactive monthly activities: adding blogposts, news items, press releases content and copy changes
- Google MyBusiness, Google Maps, Google Search Console
- Online Advertising: Google AdWords Facebook Ads, LinkedIn

- Weekly website backup (offsite)
- Uptime monitoring

## MORE SALES, BUSINESS & TIME

### Increase Sales, Rank on Google

We are focused on YOU getting more sales, more leads, ranking on Google and all for a single monthly fee.

Your website, refreshed, redesigned, or a new site, integrated with your digital presence online, your digital personality online, business and lead generation while you sleep, ecommerce, continuous improvement.

We build websites, we have web developers, designers, yes BUT.... We are not interested in building you a website. We want to build sales!

## The benefits of an online presence
